# Christmas Markets of Europe Tour

November 24 - December 5, 2023

12 Days

Price: \$3095.00

Friendship International invites you to join us on what could be the most unique trip you will ever experience. Your trip starts by visiting the world-renown Christmas markets of Europe. We will visit Germany, Austria, Hungary and Romania.

European Christmas celebration still centers around an Advent market that, in most cases, has filled the town square, before

the cathedral, beginning on first advent weekend, for hundreds upon hundreds of years.

These markets are where the awe of the holiday comes alive in grand tradition—smells of gingerbread and roasting sausages waft through the cold air, handmade ornaments adorn fir trees, master glassblowers and other artisans ply their crafts in wooden stalls, shoppers bustle past Gothic church facades and half-timbered houses.

We will continue our travels eastward to Romania where our missionaries will arrange for us to host Christmas parties in several local orphanages. At these parties we will play games, sing Christmas carols, have a snack and share Christmas gifts with the children.

*But the most important part of the party will be sharing the wonderful story of Jesus' birth, God's gift to us, by way of a short program and skit.*
